Find a Castle

Blue and Jo Find a Castle

by Grace Ebberwein

Blue is a bird who lives in a tree, and Jo is a mouse who lives in a hole. Blue and Jo are friends.

Harry the cat is not a good friend to Blue and Jo. He is really mean and wants to eat them.

One morning, Harry started to chase Blue and Jo and Blue and Jo got really close to the ground so Harry could not find them.

They went to Blue's apple tree and they found a hole. They went deep down the hole and found a big giant castle.

Blue and Jo love the hidden castle, because they can play away from Harry the cat.
